Facilities Subcommittee  
Paul Rodrigues Administration Building  
455 County Street, Room 224  
New Bedford, MA

September 20, 2012

PRESENT: JACK NOBREGA, CHAIR, LAWRENCE FINNERTY

Also in attendance was Mr. Michael Shea, Interim Superintendent and Deborah Brown, Business Manager.

The meeting began at: 6:42 p.m.

Mr. Shea indicated that he had to leave early to attend an open house. He discussed the plaques. The Derossi family approved the plaque language and the Nanopoulos family approved the plaques so they are ready to go.

Mr. Shea updated the Subcommittee on the Parker playground. The principal has had the area cleaned up. Everything has been cut down and cleaned up, we have to get the nets on but it looks good. It was brought up that there were funds a few years ago. Mrs. Brown is looking into it. It would cost about \$20,000 for a new playground. Parker may not get a playground this year. It depends if we have any money coming back this year.

The minutes from the previous meeting were reviewed. A motion was made by Dr. Finnerty and seconded by Mr. Nobrega to forward the minutes from the previous Facilities Subcommittee meeting on July 19, 2012, to the full School Committee with no edits.

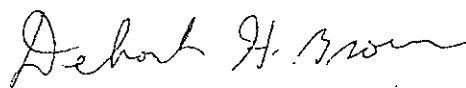

The Use of School Facilities Policy along with rental and custodial fees was discussed. Mr. Shea discussed that he could look with Deb on the custodial part and the rental fee we could come up with some guidelines. We would have some additional thoughts for the next meeting. It was suggested that it would be left up to the Superintendent

Mrs. Brown indicated that a lot of time and effort took place with the work on Carney Academy in the summer. There were a lot of lighting issues and plumbing issues that were addressed throughout the summer.

A motion was made by Dr. Finnerty and seconded by Mr. Nobrega to receive and place on file the work orders for July and August.

Motion to adjourn at 7:00 p.m. by Dr. Finnerty and seconded by Mr. Nobrega.

Respectfully submitted,

Deborah H. Brown
