In attendance were Dr. Mary Louise Francis, Superintendent of Schools for the city of New Bedford and Dr. John Fletcher, Chairman, and committee members Jill Marie Ussach and Dr. Lawrence Finnerty.

The agenda addressed the following issues:

After much discussion among the committee, with input from Denise Gaudette, Director of the Anti-Bullying Program and Ms. Marlene Pollock, the committee chose to table these policies pending further review.

The Sub Committee then discussed the standards for nutrition.
