

IT'S TIME TO REGISTER FOR SCHOOL!

See the steps below for information on making your child's school registration as simple and seamless as possible!

FOR PRESCHOOL AGE CHILDREN:

- Complete preschool intake form (https://docs.google.com/forms/d/e/1FAIpQLSe_kz25L_DQJfoE1_pX2RNeixjvie1R-asRx5_wVmakWBY1SA/viewform) to put your child on the preschool waitlist.
- Early Child Specialist will call to make screening and registration appointment, per availability and space in preschool program. If you have any questions, please contact 508-997-4511, ext. 14651.
- Bring child to appointment, with birth certificate, shot records and latest physical, two proofs of address, and parent/guardian photo ID.
- Teacher reviews with family results of the preschool screening.
- Preschool office will offer placement after appointment. Start date will be determined once registration is complete and child is cleared to start school.

FOR KINDERGARTEN AGE CHILDREN:

- Call Family Registration Center (508-997-4511, ext. 14652 or 14653) to make appointment for Kindergarten screening and registration. Parent/guardian will be given guidance about how to begin registration process online.
- Bring child to appointment, with birth certificate, shot records and latest physical, two proofs of address, and parent/guardian photo ID.
- Child is administered a Kindergarten screening and English language assessment, if needed.
- Teacher reviews with family results of Kindergarten screening and more comprehensive information about Kindergarten, including important dates and what the family's role is in preparing the child for Kindergarten.
- Once student is cleared to start, the family will be notified on what date the student may start.

FOR GRADES 1-8:

- Call Family Registration Center (508-997-4515) to make registration appointment. Parent/guardian will be given guidance about how to begin registration process online.
- Bring birth certificate, shot records and latest physical, two proofs of address, and parent/guardian photo ID.
- Upon review of the Home Language Survey, it will be determined if the child needs to be administered an English language assessment.
- Once student is cleared to start, the family will be notified on what date the student may start.

FOR GRADES 9-12:

- Call Family Registration Center (508-997-4515) to make registration appointment. Parent/guardian will be given guidance about how to begin registration process online.
- Bring birth certificate, shot records and latest physical, two proofs of address, parent/guardian photo ID, and transcripts from the previous school.
- Upon review of the Home Language Survey, it will be determined if the child needs to be administered an English language assessment.
- Once the record is complete and the student is cleared to start, the record is sent to New Bedford High School. New Bedford High School will call the family to make an appointment to create the student's schedule and inform of the student's first day of school.
