Next Steps

**REGARDING THE SCHOOL RESOURCE
OFFICER PROGRAM AND UPCOMING
WORKING GROUPS**

**TUESDAY, NOVEMBER 17TH
5:30-7:00PM**

Join us virtually to learn about the next series of steps in the SRO conversation. We will be creating two working groups to look at existing data and current SRO models. These groups will meet from December 2020 to June 2021 to gather and share valuable information that will provide voice and substance towards the Superintendent's decision about the program's future.
